1. Top-speed limited electronically.
 2. BMW AG test results. Actual acceleration results may vary, depending on specification of vehicle; road and environmental conditions; testing procedures and driving style. These results should be used for comparison only and verification should not be attempted on public roads. BMW urges you

4. EPA-estimated mileage is for comparison purposes only. Real-world mileage may vary, depending on speed, driving habits, trip length, and driving conditions; actual mileage may be lower.

4. Run-flat tires do not come equipped with a spare tire and wheel.

Due to low-profile tires, please note: wheels, tires, and suspension parts are more susceptible to road hazard and consequential damage.

Performance tires not recommended for driving in snow and ice conditions.
