Front ventilated disc-diameter	14.2 inch

Performance

Drag coefficient	0.31 C _d
Top speed (top speed limited electronically)	155 mph
Acceleration 0-60 mph ¹	4.7 [4.5] sec

Wheels

Tire dimensions (performance), front/rear ²	245/40 / 265/40
Wheel dimensions, front/rear	8.5 x 18 / 9.5 x 18
Material - standard	Light alloy

Fuel Consumption³

City	14 [14] mpg
Highway	20 [20] mpg

1. BMW AG test results. Actual acceleration results may vary, depending on specification of vehicle; road and environmental conditions; testing procedures and driving style. These results should be used for comparison only and verification should not be attempted on public roads. BMW urges you to obey all posted speed laws and always wear safety belts
2. Due to low-profile tires, please note: wheels, tires and suspension parts are more susceptible to road hazard and consequential damages. Performance tires not recommended for driving in ice and snow.
3. EPA-estimated figures are for comparison only. Your actual mileage will vary, depending upon speed, driving habits, trip length and driving conditions; actual mileage may be lower.

Figures in [] reflect 7-speed M Double Clutch Transmission (MDCT) with Drivelogic.
