Material	light alloy
Brake diameter, front/rear - type	15.6/15.2 inches - ventilated disc

1. Top speed limited electronically.  
 2. BMW AG test results. Actual acceleration results may vary, depending on specification of vehicle; road and environmental conditions; testing procedures and driving style. These results should be used for comparison only and verification should not be attempted on public roads. BMW urges you to obey all posted speed laws and always wear safety belts.  
 3. EPA-estimated figures are for comparison purposes only. Your actual mileage will vary, depending on speed, driving habits, trip length, and driving conditions; actual mileage may be lower.  
 4. Tire dimensions (run flat performance)
