

# BENTLEY MOTORS

## MULSANNE LE MANS EDITION

The Le Mans Editions celebrate Bentley's lasting ties to France's legendary test of endurance. Bentley won the Le Mans 24 Hours five times between 1924 and 1930 and entered this century with a momentous first- and second-place win in 2003.

Honoring the 90th anniversary of Le Mans and the 10th anniversary of Bentley's new millennium victories, six distinctive specifications pay homage to Bentley's remarkable winning drivers and their unforgettable achievements behind the wheel.

To signify these historic milestones, 48 examples of each Le Mans Limited Edition model are being produced. Each car will have a unique Le Mans Edition numbered badge,

embroidered Le Mans badge adorning each headrest, Le Mans Edition clock face, Le Mans Edition illuminated tread plates, diamond-quilted hide seat covering and door panels, drilled alloy foot pedals, sports-tuned suspension and steering, "Quad" Effect Tailpipe Finishers, and two-piece, five-spoke dark tint alloy wheels.

In an era of mass production, the Mulsanne stands at the pinnacle of British luxury motoring. With a 0 to 60 time of just 5.1 seconds and a top speed of 184 mph, the 505 bhp model offers thunderous levels of performance for an ultra-luxury sedan. The Le Mans Edition specifications are a perfect blend of sportsmanship and heritage matched to the highest standards of technology and craftsmanship.
