Every Nissan is backed by a 36-month/36,000-mile limited vehicle coverage and a 5-year/60,000-mile limited powertrain coverage. 2003-2010 Vehicles equipped with a Continuously Variable Transmission (CVT) also have a 10-year /120,000 mile CVT limited warranty extension. (For complete information, see your Nissan dealer and read the actual limited warranty.) For extra protection, you can also add Security+Plus®, the only extended service agreement approved by Nissan.

For more warranty information or questions on 2003-2010 vehicles equipped with a Continuously Variable Transmission please visit www.NissanAssist.com

[1] The optional RearView Monitor is a convenience, but not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The RearView Monitor may not detect every object behind you.

[2] Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving.

[3] Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation.

FEEDBACK

[4] Required XM Radio subscription sold separately. Installation costs, one-time activation fee, other fees and

taxes apply. XM Radio U.S. service only available in the 48 contiguous United States and the District of Columbia. Service available in Canada; see www.xmradio.ca.
