AVAILABLE EXTERIOR ACCESSORIES

We all have our own unique, personal style. And now your Pontiac can, too. Thanks to the many accessories we have to offer, customizing your car to your tastes is as easy as scrolling through our list and choosing what you like. For pricing and availability on a specific accessory, visit [Pontiac Accessories](#) or see your [local dealer](#) for more information.

Contour Splash Guards

Contoured surfaces protect your vehicle from splash and mud, and this easy vehicle installation provides maximum protection.

Molded Hood Protector

This handsome protective element helps keep the leading painted edge of your hood free from stone damage. Custom-designed for G5, it has an integrated look, and you'll be able to open your hood without having to remove the hood protector.

Molded Splash Guards

These custom-molded splash guards are engineered to fit directly behind each wheel, lending a custom touch while providing excellent protection from tire splashes, mud, and minor road debris.

Outside Door Handle

Go for the chrome. These chrome door handles add a stylish, personalized look to your G5.

High-mount Spoiler

Go extreme with the custom high-mount spoiler with a full tuner look.

Windshield Wiper Arm Package

Give your G5 a distinctive personal touch with these body-color windshield wiper arms.

Side Window Weather Deflector

Vent and visor in one. These side-window weather deflectors are custom-molded for your G5, let fresh air in, reduce wind noise and sunlight glare, and also keep rain, sleet, and snow out.

AVAILABLE INTERIOR ACCESSORIES

Hood Strut

Show your colors while you're showing off your engine. Available in four colors, this hood strut is engineered to replace factory struts.

Interior Trim Kit-Instrumental Panel

Personalize your G5 with an interior trim kit. Designed to replace your stock trim pieces, these kits are available in a variety of colors and patterns. Each kit includes trim pieces for the doors, the instrument cluster, and the climate-control and radio bezels. Kits fit all vehicles equipped with fog lamps.

Pedal Cover

G5 pedal cover kits feature a high-tech brushed aluminum finish and "techie" drilled-out surfaces.

There's a two-pedal kit for automatic transmissions and a three-pedal kit for stick-shift models.

Rear Compartment Lid Strut

Available in four colors, these struts replace the standard black units that hold the trunk during loading or unloading while providing customized detail to your G5.

WHEELS

16" Wheels

With their intricate design-six spokes branching into 12-and highly polished finish, these eye-catching wheels bring a distinctive look to your G5. These four-lug aluminum wheels have been validated to GM specifications to maintain your warranty and are available with matching center cap and lug nuts.

18" Wheels

With their high-void profile and high-tech exposed-bolt look, these 18" aluminum wheels put your G5 GT on a definite performance footing. These 5-lug wheels are validated to GM specifications to maintain your warranty and are available with matching center cap and lug nuts.

WARRANTY

Coverage §§**Covered for three years/36,000 miles (whichever comes first):**

- The complete vehicle
- Tires
- Towing to your nearest Pontiac dealership
- Cosmetic corrosion resulting from defects
- Repairs made to correct any vehicle defect
- No charge for most warranty repairs

Powertrain covered for five years/100,000 miles:

General Motors will warrant each 2008 model year passenger car for 5 years, or 100,000 miles/160,000 kms with no deductible, whichever comes first, from the original in-service date of the vehicle, for warrantable repairs which are required as a result of defects due to material and/or workmanship to the Powertrain components as listed below:

- **Engine**
Cylinder head, block, timing gears, timing chain, timing cover, oil pump/oil pump housing, OHC carriers, valve covers, oil pan, seals, gaskets, turbocharger, supercharger and all internal lubricated parts as well as manifolds, flywheel, water pump, harmonic balancer and engine mount. Timing belts are covered until the first scheduled maintenance interval.
- **Transmission/Transaxle/Transfer Case**
Case, all internal lubricated parts, torque converter, transfer case, transmission/transaxle mounts, seals, and gaskets.
- **Drive Systems**
Final drive housing, all internal lubricated parts, axle shafts and bearings, constant velocity joints, axle housing, propeller shafts, universal joints, wheel bearings, locking hubs, front differential actuator, supports, front and rear hub bearings, seals and gaskets.
- **Courtesy Transportation Program**
During the warranty coverage period, alternate transportation and/or reimbursement of certain transportation expenses will be available under the Courtesy Transportation Program if your vehicle requires warranty repairs. Several transportation options are available. Refer to your Owners Manual for details, including reservation of rights, or consult your dealer/retailer.

Roadside Assistance Program

General Motors is proud to offer the response, security, and convenience of the 24-hour Roadside Assistance Program for a period of 5 years or 100,000 miles/160,000 kms., whichever comes first. Refer to your Owner Manual for details, or consult your dealer/retailer. The Roadside Assistance contact information is listed in the Customer Assistance Offices section of the Warranty and Owner Assistance Information booklet.

What Is Not Covered

All the above items are not covered for damage due to accident, misuse, alteration, insufficient or improper maintenance, contaminated or poor quality fuel. For complete details refer to your Warranty and Owner Assistance Information booklet.

This is a supplement to the express conditions and warranties described in the Warranty and Owner Assistance Information booklet. Other coverages are not extended or altered due to this supplement.

For 2008 model year passenger car requiring a more comprehensive coverage than what is provided with this warranty and the New Vehicle Limited Warranty, an authorized GM service contract (GM Protection Plan) is available through your dealer/retailer. These are the only plans recommended by General Motors. See your dealer/retailer for details.

Covered for six years/100,000 miles, whichever comes first:

- Rust-through corrosion

Corrosion Protection

Pontiac vehicles are designed and built to resist corrosion. All body and sheet metal components are warranted against rust-through corrosion for six years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your Pontiac dealer for terms of this limited warranty.

An Important Note about Alterations and Warranties

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.
