[Back to top](#)

We all have our own unique, personal style. And now your Pontiac can, too. Thanks to the many accessories we have to offer, customizing your car is as easy as scrolling through our list and choosing what you like. For pricing and availability on a specific accessory, visit [Pontiac Accessories](#) or [find the dealer nearest you](#) for more information.

**AVAILABLE EXTERIOR ACCESSORIES**

**Cat-Back Exhaust System**

Add an "aggressive growl" to your Solstice with this Cat-Back performance exhaust constructed of T-304 stainless steel with mandrel bent tubing and a semi-polished muffler. Available with an adjustable and interchangeable, fully polished exhaust tip that proudly displays the Pontiac logo.

**Exhaust Tip**

Add the finishing touch to the performance exhaust system of your Solstice with your choice of exhaust tip that won't rust or corrode. Available in fully rolled or half-rolled design.

**Windscreen**

Help buffer the wind while enjoying your ride. This functional accessory is attached between the two headrests. Constructed of black aluminum with see-through black mesh, it installs behind the seatback and minimizes air turbulence in the passenger compartment.

**Tonneau Cover**

With the top down, this soft tonneau cover easily attaches to the exterior to protect the cockpit from dust, UV exposure, and light moisture while your Solstice is parked. In a classic roadster touch, you can drive with the passenger side closed and the driver's side open.

**Vehicle Cover**

This Solstice vehicle cover is custom-constructed of lightweight, easy-to-handle material, and keeps out dirt, dust and abrasive particles while protecting your Solstice by letting moisture evaporate.

**Molded Splash Guards**

Designed to accent the exterior of your Solstice, these molded splash guards fit directly behind the wheels to help provide protection from tire splashes, mud and road debris.

**Front End Cover**

Protect the front of your Solstice from road debris with this two-piece front end cover. Designed for a tight, smooth fit this black cover features the Pontiac logo and is available with or without a front license plate cut-out.

**Sport Suspension Package**

Want to really hug the curves? Our Sport Suspension Package was designed and tested by GM Performance Parts, and includes larger front and rear sway bars, re-valved shock dampers as well as springs with higher rates for optimum handling. Your Solstice will also sit 7 millimeters (0.275 inches) lower.

**Performance Air Intake**

Feel (and hear) the rush when you add our Performance Air Intake to your vehicle. Crafted from a polished aluminum tube, it'll retain its shine thanks to a maintenance-free clear-coat finish. The free-breathing air filter is non-oiled-which means it won't interfere with the computer sensors. Show it off anywhere because it's 50-state legal.

[Back to top](#)**AVAILABLE INTERIOR ACCESSORIES****Premium All-weather Floor Mats**

Be prepared for every condition with these premium all-weather front floor mats. They conform to the interior of your Solstice and their custom-designed, deep-patterned grid collects rain, mud, snow, and debris. The nibs on the back also help keep them in place.

[Back to top](#)**WHEELS****18" Cast Chrome Wheel**

This five-spoke 18", flangeless Pontiac Accessory Wheel is a bold alternative for your Solstice. Available with matching center cap and lug nuts.

[View the complete list of Solstice accessories.](#)

[Back to top](#)**SAFETY****Security**

The Solstice Theft-deterrent system works the PASS-Key III Plus engine immobilizer to deny start-up attempts from incorrectly coded keys.

**Occupant Protection**

Solstice protects occupants with driver and right-front passenger air bags, 3-point safety belts for all positions.

**OnStar Services**

[OnStar AccidentAssist](#), Get step-by-step guidance about what to do in the event of an accident.

[OnStar Automatic Crash Response](#), A specially trained OnStar Advisor can guide and assist you if your vehicle is involved in a frontal-, rear-, or side-impact crash.

**[OnStar Automatic Notification of Air Bag Deployment](#)**<sup>††</sup>, An OnStar Advisor can call your vehicle in the case of air bag deployment to find out if you need assistance.

**[OnStar Emergency Services](#)**, An OnStar Advisor can call for help if your vehicle is involved in a frontal-, rear-, or side-impact crash—regardless of air bag deployment.

**[OnStar Remote Door Unlock](#)**<sup>†††</sup>, Send a signal to an OnStar Advisor who can, in most cases, unlock your doors remotely.

**[OnStar Roadside Assistance](#)**, Contact OnStar if you run out of gas or get a flat tire, and we'll send assistance to your exact location.

**[OnStar Stolen Vehicle Location Assistance](#)**<sup>†††</sup>, OnStar will work with authorities to attempt to locate your vehicle if it is stolen.

**[OnStar Vehicle Diagnostics](#)**<sup>§</sup>, Get monthly e-mail diagnostic reports of your vehicle's key systems.

---

## WARRANTY

---

### Coverage<sup>§§</sup>

#### **Covered for three years/36,000 miles (whichever comes first):**

- The complete vehicle
- Tires
- Towing to your nearest Pontiac dealership
- Cosmetic corrosion resulting from defects
- Repairs made to correct any vehicle defect
- No charge for most warranty repairs

#### **Powertrain covered for five years/100,000 miles.**

General Motors will warrant each 2008 model year passenger car for 5 years, or 100,000 miles/160,000 kms with no deductible, whichever comes first, from the original in-service date of the vehicle, for warrantable repairs which are required as a result of defects due to material and/or workmanship to the Powertrain components as listed below:

- **Engine**  
Cylinder head, block, timing gears, timing chain, timing cover, oil pump/oil pump housing, OHC carriers, valve covers, oil pan, seals, gaskets, turbocharger, supercharger and all internal lubricated parts as well as manifolds, flywheel, water pump, harmonic balancer and engine mount. Timing belts are covered until the first scheduled maintenance interval.
- **Transmission/Transaxle/Transfer Case**  
Case, all internal lubricated parts, torque converter, transfer case, transmission/transaxle mounts, seals, and gaskets.
- **Drive Systems**  
Final drive housing, all internal lubricated parts, axle shafts and bearings, constant velocity joints, axle housing, propeller shafts, universal joints, wheel bearings, locking hubs, front differential actuator, supports, front and rear hub bearings, seals and gaskets.
- **Courtesy Transportation Program**  
During the warranty coverage period, alternate transportation and/or reimbursement of certain transportation expenses will be available under the Courtesy Transportation Program if your vehicle requires warranty repairs. Several transportation options are available. Refer to your Owners Manual for details, including reservation of rights, or consult your dealer/retailer.

#### **Roadside Assistance Program**

General Motors is proud to offer the response, security, and convenience of the 24-hour Roadside Assistance Program for a period of 5 years or 100,000 miles/160,000 kms., whichever comes first. Refer to your Owner Manual for details, or consult your dealer/retailer. The Roadside Assistance contact information is listed in the Customer Assistance Offices section of the Warranty and Owner Assistance Information booklet.

#### **What Is Not Covered**

All the above items are not covered for damage due to accident, misuse, alteration, insufficient or improper maintenance, contaminated or poor quality fuel. For complete details refer to your Warranty and Owner Assistance Information booklet.

**This is a supplement to the express conditions and warranties described in the Warranty and Owner Assistance Information booklet. Other coverages are not extended or altered due to this supplement.**

**For 2008 model year passenger cars requiring a more comprehensive coverage than what is provided with this warranty and the New Vehicle Limited Warranty, an authorized GM service contract (GM Protection Plan) is available through your**

**dealer/retailer. These are the only plans recommended by General Motors. See your dealer/retailer for details.**

**Covered for six years/100,000 miles, whichever comes first:**

- Rust-through corrosion

#### **Corrosion Protection**

Pontiac vehicles are designed and built to resist corrosion. All body and sheet metal components are warranted against rust-through corrosion for six years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your Pontiac dealer for terms of this limited warranty.

#### **An Important Note about Alterations and Warranties**

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.
