#### SAFETY

##### Torrent 5-Star Crash Rating

In recent National Highway Traffic Safety Administration (NHTSA) testing, the four-wheel drive 2007 and 2008 Pontiac Torrents received the highest rating possible five stars in both front and side-impact crash testing for the both driver and passenger.\*\*\*

### Crash-Avoidance Features

Both all-wheel-drive versions of Torrent come standard with on-demand [all-wheel drive](#). It delivers power to the front wheels during normal driving on dry road surfaces, but if rain, snow, or mud cause front-wheel slippage, power is automatically delivered to the rear wheels as well. The system is automatic and works seamlessly with no action required by the driver to achieve excellent traction and mobility.

The Torrent FWD models feature standard traction control.

### Security

All Torrent models come standard with the theft-deterrent alarm system.

### Occupant Protection

Among its many safety features, the Torrent provides driver and right front passenger air bags<sup>††</sup> and 3-point safety belts for all positions, plus pretensioners for the front safety belts to reduce belt slack in a frontal collision severe enough to cause air bag deployment. There are child-seat LATCH anchors at each of the three back-seating positions, with the rear outboard positions also having safety belt comfort guides.

### OnStar Services<sup>†</sup>

[OnStar AccidentAssist](#), Get step-by-step guidance about what to do in the event of an accident.

[OnStar Automatic Crash Response](#), A specially trained OnStar Advisor can guide and assist you if your vehicle is involved in a frontal-, rear-, or side-impact crash.

[OnStar Automatic Notification of Air Bag Deployment](#)<sup>††</sup>, An OnStar Advisor can call your vehicle in the case of air bag deployment to find out if you need assistance.

[OnStar Emergency Services](#), An OnStar Advisor can call for help if your vehicle is involved in a frontal-, rear-, or side-impact crash—regardless of air bag deployment.

## WARRANTY

---

### Coverage §§

#### **Covered for three years/36,000 miles (whichever comes first):**

- The complete vehicle
- Tires
- Towing to your nearest Pontiac dealership
- Cosmetic corrosion resulting from defects
- Repairs made to correct any vehicle defect
- No charge for most warranty repairs

#### **Powertrain covered for five years/100,000 Miles:**

General Motors will warrant each 2008 model year passenger cars for 5 years, or 100,000 miles/160,000 kms with no deductible, whichever comes first, from the original in-service date of the vehicle, for warrantable repairs which are required as a result of defects due to material and/or workmanship to the Powertrain components as listed below:

- **Engine**  
Cylinder head, block, timing gears, timing chain, timing cover, oil pump/oil pump housing, OHC carriers, valve covers, oil pan, seals, gaskets, turbocharger, supercharger and all internal lubricated parts as well as manifolds, flywheel, water pump, harmonic balancer and engine mount. Timing belts are covered until the first scheduled maintenance interval.

- **Transmission/Transaxle/Transfer Case**

Case, all internal lubricated parts, torque converter, transfer case, transmission/transaxle mounts, seals, and gaskets.

- **Drive Systems**

Final drive housing, all internal lubricated parts, axle shafts and bearings, constant velocity joints, axle housing, propeller shafts, universal joints, wheel bearings, locking hubs, front differential actuator, supports, front and rear hub bearings, seals and gaskets.

- **Courtesy Transportation Program**

During the warranty coverage period, alternate transportation and/or reimbursement of certain transportation expenses will be available under the Courtesy Transportation Program if your vehicle requires warranty repairs. Several transportation options are available. Refer to your Owners Manual for details, including reservation of rights, or consult your dealer/retailer.

#### **Roadside Assistance Program**

General Motors is proud to offer the response, security, and convenience of the 24-hour Roadside Assistance Program for a period of 5 years or 100,000 miles/160,000 kms., whichever comes first. Refer to your Owner Manual for details, or consult your dealer/retailer. The Roadside Assistance contact information is listed in the Customer Assistance Offices section of the Warranty and Owner Assistance Information booklet.

#### **What Is Not Covered**

All the above items are not covered for damage due to accident, misuse, alteration, insufficient or improper maintenance, contaminated or poor quality fuel. For complete details refer to your Warranty and Owner Assistance Information booklet.

**This is a supplement to the express conditions and warranties described in the Warranty and Owner Assistance Information booklet. Other coverages are not extended or altered due to this supplement.**

**For 2008 model year passenger cars requiring a more comprehensive coverage than what is provided with this warranty and the New Vehicle Limited Warranty, an authorized GM service contract (GM Protection Plan) is available through your dealer/retailer. These are the only plans recommended by General Motors. See your dealer/retailer for details.**

**Covered for six years/100,000 miles, whichever comes first:**

- Rust-through corrosion

#### **Corrosion Protection**

Pontiac vehicles are designed and built to resist corrosion. All body and sheet metal components are warranted against rust-through corrosion for six years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your Pontiac dealer for terms of this limited warranty.

#### **An Important Note about Alterations and Warranties**

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New-Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.
