Volkswagen  
Carbon Neutral Project

The Carbon Neutral Project is a partnership with Carbonfund.org, designed to start addressing the issue of carbon emissions. With their help, we'll be making it easy for anyone who owns a Volkswagen to determine their vehicle's carbon output and take action towards offsetting it. So far, the VW community has planted over 300,000 trees and offset 419,343 tons of carbon. And that's just the beginning. Learn more at [vw.com](http://vw.com).

Specifications, standard features, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you ordered includes the equipment you ordered. Tires are supplied and warranted by their manufacturer. Volkswagen DVD Navigation depends on signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes in locating addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. "Volkswagen," the Volkswagen logo, "Das Auto," "Touareg," and "4XMOTION" are registered trademarks of Volkswagen AG.
