AN EXCLUSIVE XJL SUPERCHARGED FROM JAGUAR AND NEIMAN MARCUS

Jaguar will kick off the holiday car shopping season with a unique all new high-end entry to the market: The all new 2011 Jaguar XJL Supercharged Neiman Marcus Edition, exclusively through the celebrated Neiman Marcus Christmas Book. Jaguar will produce only 50 of the 2010 Jaguar XJL Supercharged Neiman Marcus Edition - making it a stylish and unique way to celebrate the holiday season. This is the third time a Jaguar has been selected as the Neiman Marcus featured vehicle. In 1968, the XKE Grand Touring Coupe was featured, and most recently, the 1997 Jaguar XK8 Convertible.

The all new 2011 Jaguar XJL Supercharged Neiman Marcus Edition, complete with a five-piece set of matching Jaguar luggage in navy blue leather, will be available for purchase in this year's Neiman Marcus Christmas Book for \$105,000.* Reservations for the XJL Supercharged Neiman Marcus Edition open on Friday, October 16 at noon EDT by calling 1-866-524-6963. There will be only 50 Neiman Marcus Editions made, and Jaguar and Neiman Marcus expect them to sell out fast. For those not lucky enough to reserve one of these 50 Neiman Marcus Editions, the XJ arrives in showrooms nationwide in the first quarter of 2010.

"Being a part of The Neiman Marcus Christmas Book is a spectacular way to launch the Jaguar XJ, one of the most anticipated new luxury cars in the market this year," says Richard Beattie, Executive Vice President, Marketing & Sales, Jaguar.

"Designed to attract the clientele of Neiman Marcus as well as automotive enthusiasts, the Neiman Marcus XJL Supercharged is unique and intelligent. It demonstrates our commitment to producing fast, beautiful cars that offer luxury, performance and first-rate quality."

An aggressive take on the highly anticipated all new 2011 Jaguar XJ, the all new 2011 Jaguar XJL Supercharged Neiman Marcus Edition comes in an exclusive Celestial Black metallic paint exterior and a custom butter-soft navy and ivory leather interior with Zebrano matte wood accents. The Neiman Marcus Edition XJL also has 20" double-10 spoke polished alloy wheels, illuminated tread plates and trunk finisher as well as the nameplate on the custom interior intaglio that reads: "Neiman Marcus 1 of 50." The Neiman Marcus XJL Supercharged is powered by a new third-generation 5-liter V-8 engine with an Eaton supercharger that delivers 470 horsepower and also features the Jaguar Sequential Shift™ six-speed ZF automatic transmission that adapts to its driver, with wheel-mounted shift paddles for sport, standard, and winter mode driving.
