

## **At a Glance: 2010 Infiniti QX56**

The 2010 Infiniti QX56 continues to offer an outstanding combination of refinement, roominess, advanced technology and power – providing maximum utility and all-season versatility in a stylish, fully equipped full-size luxury SUV. It is available in two-wheel drive (2WD) or with the Infiniti All-Mode 4WD® system.

The QX is anchored by an advanced drivetrain, featuring a high-strength steel frame and standard 5.6-liter V8 engine rated at 320 horsepower and 393 lb-ft of torque. Its sophisticated body design is marked by a distinctive chrome “waterfall” style grille, High Intensity Discharge (HID) xenon headlights, Infiniti-style LED taillights, power sliding moonroof and power-operated rear liftgate.

Inside, the exceptionally roomy QX interior features class-leading 2<sup>nd</sup> row legroom and seating for up to eight with the optional 2<sup>nd</sup> row split bench seat. Occupants are treated to an array of standard and available technology and luxury equipment, including leather-appointed seating, an Infiniti Hard Drive Navigation System with 7.0-inch LCD screen, XM® Satellite Radio and XM NavTraffic® with real-time traffic information (XM® subscription required, sold separately), 12-speaker Bose® Premium Audio system with Burr-Brown DAC and 9.3GB Music Box Hard Drive and power-folding 60/40 split 3<sup>rd</sup> row bench seat.

Optional features include a Technology Package with Intelligent Cruise Control and front Sonar System for parking; and an Infiniti Mobile Entertainment System (MES) with DVD player, 8-inch color screen, two wireless headphones and remote controller. A Tow Package (standard on QX56 4WD) is also optional on QX56 2WD.

The QX’s 4-wheel independent suspension includes an auto-leveling rear suspension. Maximum towing capacity (when properly equipped) is rated at up to 9,000 pounds. A refined 5-speed automatic transmission with tow mode, 4-wheel power-assisted disc brakes and 9-spoke 20-inch chrome-finished aluminum-alloy wheels are standard on both 2WD and 4WD models.
