

Specifications & Options

		• Standard ○ Available - N/A	EX35 Journey \$35,450*	EX35 AWD Journey \$36,850*
Power				
Engine	<u>3.5-liter (3,498cc) 24-valve V6, aluminum-alloy block and heads. Low-friction molybdenum-coated pistons</u>	•	•	•
Valvetrain	Double overhead camshaft (DOHC), 4 valves per cylinder with microfinished camshafts. Continuously Variable Valve Timing Control System (CVTCS) optimizes opening of intake and exhaust valves	•	•	•
Intake System	High-flow tuned induction system	•	•	•
Fuel Economy	Estimated Fuel Economy (mpg) (city/highway)		17/24	16/23
Horsepower	297 hp @ 6,800 rpm	•	•	•
Torque	253 lb-ft @ 4,800 rpm	•	•	•
Transmission	<u>Electronically controlled 5-speed automatic. Driver-adaptive learning algorithm senses driving style and adjusts automatic shifting accordingly. Manual shift mode offers sequentially selected manual gearshifts and Downshift Rev Matching</u>	•	•	•
Drive Wheels	Rear-wheel drive	•	-	-
	Intelligent All-Wheel Drive (AWD)	-	-	•

		• Standard ○ Available - N/A	EX35 Journey \$35,450*	EX35 AWD Journey \$36,850*
Handling				
Steering				
Type	Speed-sensitive variable-assist power rack-and-pinion	•	•	•
Turning Diameter	34.8 feet	•	•	-
	36.0 feet	-	-	•
Suspension				
Front	Independent, double-wishbone with coil springs over shock absorbers, stabilizer bar	•	•	•
Rear	Independent, multi-link with coil springs over shock absorbers, stabilizer bar	•	•	•
Brakes				
Front	12.6-inch ventilated discs; 4-wheel, 4-channel ABS	•	•	•
Rear	12.1-inch ventilated discs; 4-wheel, 4-channel ABS	•	•	•
Wheels and Tires				
Standard	7-spoke, 17 x 7.5-inch aluminum alloy wheels with 225/60R17 all-season tires	•	•	•
Luxe Elite and Luxe Style Packages	8-spoke, 18 x 8.0-inch aluminum alloy wheels with 225/55R18 all-season tires	○	○	○
Spare tire	Temporary use, T165/80R17	•	•	•

Exterior	• Standard o Available - N/A	EX35 Journey \$35,450*	EX35 AWD Journey \$36,850*
Rear integrated spoiler	•	•	•
Aluminum hood with gas struts to hold hood open	•	•	•
Scratch Shield paint	•	•	•
Integrated front fog lights	•	•	•
LED taillights and center high-mounted stoplight (CHMSL) offer quicker illumination, lower power consumption and longer life than conventional bulbs	•	•	•
Auto on/off headlights	•	•	•
UV-reducing tinted glass reduces transmission of radiant heat to vehicle's interior	•	•	•
Power slide/tilt moonroof with one-touch operation	•	•	•
Dual power and heated outside mirrors	•	•	•
Puddle entry light under driver's door mirror	•	•	•
Speed-sensing flat-blade wipers increase intermittent wipes as vehicle speed increases	•	•	•
Aluminum door-sill plates	•	•	•
Rear doors open a full 80 degrees for easier rear-seat entry and exit	•	•	•
Rear window defroster with indicator light and timer	•	•	•
Dual chrome exhaust finishers	•	•	•

Interior	• Standard ○ Available - N/A	EX35 Journey \$35,450*	EX35 AWD Journey \$36,850*
<p><u>Infiniti Intelligent Key with Push Button Ignition</u></p> <p>Automatic Temperature Control (ATC) system with microfiltration</p> <p>Dual Zone Automatic Temperature Control (ATC) system with microfiltration</p> <p>Power windows with illuminated switches and front-window one-touch auto-up/down with auto-reverse feature</p> <p>Auto-dimming inside mirror with electronic compass</p> <p>Remote power door locks, trunk release and window opening via Infiniti Intelligent Key</p> <p>Retained accessory power for windows and moonroof after car is shut off (if equipped)</p> <p>Illuminated entry system with delayed fade-out</p> <p>Power tilt/telescopic steering column</p> <p>Front sun visors with extensions and illuminated vanity mirrors</p> <p>Overhead sunglasses storage</p> <p>Dual overhead front map lights, rear-seat reading lights</p> <p>Front seatback map pockets</p> <p>Dual front and rear cup holders</p> <p>Front armrest with storage compartment, 12-volt power outlet and audio auxiliary input jack</p> <p>Front and rear carpeted floor mats</p> <p>Cargo net tie-down anchors in trunk</p>	<p>•</p> <p>-</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p>	<p>•</p> <p>-</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p> <p>•</p>

<p>8-way power driver's seat with adjustable lumbar support and 4-way power passenger's seat</p> <p>Leather-appointed seating</p> <p>Heated front seats</p> <p>Black lacquer and aluminum interior trim</p> <p>Leather-wrapped 3-spoke steering wheel with cruise and audio system controls</p> <p>Power folding second-row seat</p> <p>Aluminum and leather-appointed shift knob</p>	<p>•</p> <p>•</p> <p>•</p> <p>-</p> <p>•</p> <p>•</p> <p>•</p>	<p>•</p> <p>•</p> <p>•</p> <p>-</p> <p>•</p> <p>•</p> <p>•</p>	
Audio System			
<p>Six-speaker audio system with AM/FM, single-feed CD player, Radio Data System (RDS) and audio auxiliary input jack</p> <p>In-glass diversity antenna</p> <p>XM® Satellite Radio[2]</p>	<p>•</p> <p>•</p> <p>•</p>	<p>•</p> <p>•</p> <p>•</p>	

Instrumentations and Driver Controls		
Fine Vision electroluminescent gauges	•	•
Tilt and telescopic steering column	•	•
Multi-function trip computer with fuel mileage range and outside temperature display	•	•
<u>Infiniti Controller</u> with 7-inch display for audio, fuel economy, maintenance, and comfort and convenience systems	•	•
Cruise control with steering wheel-mounted switches	•	•
front and rear Sonar System	•	•
Steering wheel-mounted audio controls	•	•
Infiniti analog clock	•	•

security systems	•	•
Infiniti Intelligent Key emergency backup slot to start vehicle if keyfob battery fails	•	•
Battery saver helps prevent accidental discharging if electrical accessories are left on	•	•
Dimensions	EX35 Journey \$35,450*	EX35 AWD Journey \$36,850*
Exterior		
Coefficient of drag	0.32	0.32
Overall length (inches)	182.3	182.3
wheelbase (inches)	110.2	110.2
Overall width (inches)	71	71
Track width front (inches) Front	60.4	60.8
Track width (inches) Rear	61	61
Overall height with roof rails (inches)	62.6	62.6

Headroom with moonroof (inches) Front	38.7	38.7
Headroom with moonroof (inches) Rear	37.3	37.3
Headroom without moonroof (inches) Front	-	-
Headroom without moonroof (inches) Rear	-	-
Legroom (inches) Front	44.3	44.3
Legroom (inches) Rear	28.5	28.5
Shoulder room (inches) Front	54.8	54.8
Shoulder room (inches) Rear	55.1	55.1
Hip room (inches) Front	52.9	52.9
Hip room (inches) Rear	50	50
Capacity and Weights		
Curb weight (lbs)	3,790	3,953
Weight distribution (percent) (front/rear)	53/47	53/47
Passenger volume with moonroof (cubic feet)	88.5	88.5
Cargo volume (cubic feet)	18.6	18.6
Fuel capacity (gallons)	20	20

Emissions (Low Emission Vehicle Tier 2)	LEV2	LEV2
Estimated Fuel Economy (mpg)[1] (city/highway)	17/24	16/23

[1] Actual mileage may vary with driving conditions - use for comparison only.

[2] Required XM radio and XM NavTraffic monthly subscriptions sold separately after three-month trial period. Other fees and taxes may apply, including a one-time activation fee. XM NavTraffic only available in select markets. Subscription fee is consumer only. All fees and programming subject to change. Subscriptions subject to Customer Agreement available at xmradio.com. XM service only available in the 48 contiguous United States and Canada. The XM name and XM NavTraffic are registered trademarks of XM Satellite Radio Inc. ©2008 XM Satellite Radio Inc. All rights reserved. All other trademarks are the property of their respective owners.

[3] Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your owner's manual for more details.

[4] VDC cannot prevent accidents caused by abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.

[5] Tire Pressure Monitoring System is not a substitute for regular tire pressure checks.

3.5-liter V6 engine with 297 hp

The engine block is crafted aluminum alloy to help reduce weight and increase responsiveness. Airflow is optimized for both low- and high-speed operation with a variable-flow induction system. The lightweight titanium intake and exhaust valves allow for even quicker response.

5-speed Automatic Transmission with Manual Shift Mode and Downshift Rev Matching

Until it is harnessed, engine power is purely potential. Channeling the considerable power generated by the V6 engine is a 5-speed automatic. A sophisticated learning algorithm adapts to your individual driving style and shifts to optimize engine performance. Select manual shift mode and take complete control of the five precisely matched gears. When downshifting, the engine automatically adjusts engine speed output to smooth out shifts.

Independent Front and Rear Suspension

A double wishbone front and multi-link rear suspension gives the Infiniti EX exquisite ride quality on the open road, and firm, taut handling in corners. Springs, shocks and stabilizer bars are tuned for crisp performance.

Infiniti Intelligent Key with Push Button Ignition

Without being removed from your pocket or purse, the Infiniti Intelligent Key communicates with the Infiniti EX as you approach, signaling the vehicle to unlock your door or trunk when you touch the sensor. Once inside, the Infiniti Intelligent Key lets you start the engine with a touch of the Push Button Ignition, then signals the seat, steering wheel and mirrors to adjust to your personalized memory settings.

Infiniti Controller

The Infiniti Controller – along with the steering wheel, pedals and shifter – is how you communicate with your EX. Audio, information and available navigation systems can be controlled by either the multi-function control knob, standard push buttons or steering wheel controls, allowing you to choose the method of interaction that best suits your needs. With available Infiniti Voice Recognition, you can even use the sound of your voice.

Front-seat Active Head Restraints (AHR)

In certain rear collisions, front-seat Active Head Restraints move upward and forward to help cushion the head, and to help assist in reducing whiplash-type injuries.

Electronic Brake force Distribution (EBD)

To help optimize braking performance for a variety of vehicle loads, EBD adjusts the amount of brake force applied to the front and rear wheels for improved braking performance, reducing front-end dive under braking, and producing more even brake wear.

Brake Assist (BA)

In emergency braking situations, many drivers don't brake hard enough, soon enough. Brake Assist monitors how you apply the brakes and, sensing emergency braking, helps apply maximum brake force for potentially shorter stops.

4-wheel Anti-lock Braking System (ABS)

Infiniti large, 4-wheel ventilated disc brakes include a 4-wheel, 4-channel Anti-lock Braking System (ABS) to help the driver maintain steering control while braking.

Traction Control System (TCS)

Infiniti integrated Traction Control System (TCS) senses wheelspin while accelerating and automatically reduces engine output and/or brakes the spinning wheel to help regain traction.

Vehicle Dynamic Control (VDC)

Acting in tandem with the Traction Control System, VDC[1] compares actual vehicle cornering performance to the driver's input, adjusting power levels and/or applying appropriate brake pressure to individual wheels to help correct oversteer or understeer.

[1] VDC cannot prevent accidents caused by abrupt steering, carelessness, or dangerous driving techniques. Always drive safely.

LATCH System (Lower Anchors and Tethers for Children)

Lower anchor points are located in the lower rear outboard seating—positions where the seatback and seat cushion meet, and top tether—anchors are located on the back of each rear seatback. These allow the placement of LATCH System child-restraint seats in the rear seat. LATCH System seats allow easy installation and secure attachment without the need for ALR seat belts or locking clips. They meet the new federal standards.

Infiniti Vehicle Immobilizer System

The Infiniti Vehicle Immobilizer System embeds an encoded transponder chip into the Infiniti Intelligent Key. The engine control computer will not allow the engine to start without the correct key and transponder.

Vehicle Security System

The Vehicle Security System, which is activated and deactivated using the Infiniti Intelligent Key, will sound the alarm if intrusion via doors, hood or trunk is detected.
