

Alain de Cadenet Shares the Secrets of Notable Race Cars During Toyota Historic Showcase at Monterey Historics

Anecdotes, little-known facts and a complete walk-around of some of the most important and interesting race cars entered in this year’s Rolex Monterey Historic Automobile Races, presented by Toyota, will occur at the Toyota Historic Showcase stage Friday and Saturday. Noted vintage car authority Alain de Cadenet of SPEED TV will host the showcase and engage car owners, and some of the famous men who raced them back in the day, in a lively discussion.

“Each car at the Monterey Historics is a story unto itself, and we figured that the best way to share some of their colorful history with the fans is to bring them to life through their owners and former drivers,” says Kim McCullough, corporate manager for marketing communications of Toyota Motor Sales U.S.A. “We’re all enthusiasts, so this will be a wonderful time to hear the truth, and maybe a few tales, together.”

The Toyota Historic Showcase stage is centrally located in the Expo grounds at Mazda Raceway Laguna Seca.
