FERRARI CLASSICHE TO BE DISPLAYED AT MONTEREY

For a seasoned Ferrari collector, one of the most coveted awards is that of the Quail or Pebble Beach.

For 10 days each August, connoisseurs and enthusiasts from around the world converge on the Monterey Peninsula in California to celebrate the ultimate in automotive design, engineering and camaraderie among fellow automobile aficionados. This year, Ferrari is sponsoring two of the most prestigious events in this festival -- [The Pebble Beach Concours d'Elegance](#) and The Quail, A Motorsports Gathering.

The Concours d'Elegance is an automotive charity held on the iconic Pebble Beach Golf Links at the end of the festival.

Ferrari will present both pre-World War II and postwar collector cars.

Considered the most prestigious event of its kind, the Concours is open to both pre-World War II and postwar collector cars. They are adjudicated for their authenticity, function, history and style. As part of Ferrari's sponsorship, Ferrari will have a special display of its full range of vehicles Aug. 17.

The Quail, A Motorsports Gathering, is a limited-availability event Aug. 15 that combines a verdant golf course setting snuggled into the Santa Lucia mountains with exceptional cuisine and the finest examples of vintage sporting automobiles seen anywhere in North America.

At Monterey, automobiles, food and company are beyond compare.

With a limited number of tickets available, the Quail provides an unrivaled lifestyle experience. In addition to landmark automobiles, the Quail includes a culinary presentation designed to please those with the most discriminating palate, a setting that combines rolling green lawns, rugged mountain peaks, the renewal of old friendships and the making of new ones, and an incomparable atmosphere of serenity, luxury and exclusivity.

The 2008 Quail has special exhibits enveloping America's most prestigious endurance race, the Twelve Hours of Sebring, as well as a display that showcases the Ferrari Classiche program. For more information on the Ferrari Classiche authenticity and certification program please visit www.ferrariowners.com.
