ROLLS-ROYCE PHANTOM DROPHEAD COUPÉ SPECIAL CONCOURS EDITION

To celebrate 60 years of the Pebble Beach Concours d'Elegance, Rolls-Royce Motor Cars has built a special 60th anniversary Rolls-Royce Phantom Drophead Coupé. As a tribute to Stillwater Cove on the California coast at Pebble Beach, this motor car has been painted with a one-off bespoke exterior color called Stillwater Blue.

The car is fitted with a Navy Blue soft-top lined with cashmere, and is upholstered with a Crème Light leather interior. Interior wood fittings are composed of a striking crossbanded Santos Pallisander veneer contrasted with a sterling silver inlay. Handcrafted oiled teak decking is used for the roof tonneau and also in the trunk flooring.

To complement the spirit of the teak-covered picnic trunk deck, a fully fitted champagne service set with crystal flutes and a refrigerated cabinet is concealed beneath the trunk floor. Bespoke fitted luggage has been crafted for this car. The rolling stock consists of the latest 21-inch mirror polished Star alloy wheels.

As a unique Pebble Beach Concours 60th anniversary collector's edition, the car has been attributed with an enamel plaque on the dash, Concours logos on the tread plates, and Concours embroidery on each seat.
