Jointly designed by a respected team of European and US automotive engineers, the freeway-friendly Alias commands respect. Under its sleek, composite skin you will discover an engineer's masterpiece in form, fit and technological advancement.

The Alias is 100% electric, 100% of the time. Recharging is simple and effortless via any 110V outlet at home or on the road. Be the first. Reserve yours today.

Aerodynamic contours, low profile,

wide stance with double-wishbone suspension, sport styling - are only a few ways to describe the all-new Alias from ZAP.

Under the "hood" of this three-wheeled machine is a compact, yet powerful AC24LS high efficiency, air-cooled, AC induction motor running at 216 volts.
