

IMPORTANT TO OWNERS

BMC SERVICE PARTS

Owners are strongly advised to insist on the use of BMC Genuine Parts. These may readily be identified by the label below and many are packed in characteristic cartons. They are available through any Distributor or Dealer, who can also provide details of the wide range of BMC Approved Accessories not covered by this publication.

Replacement parts that are not of genuine BMC manufacture cannot be relied upon to be of BMC specification, material, and workmanship, and therefore BMC cannot be expected to extend their Warranty to vehicles which have been fitted with parts not of their manufacture.

BMC reserve the right to make changes or improvements in the construction or equipment of their products at any time.

In order to ensure prompt and correct execution of your orders it is essential to quote:

1. The relative **Unit Number**, together with prefixes, suffixes, and specification reference where applicable:
e.g.: Axle, Body, Cab, Car, Chassis, Commission, Engine, and Gearbox Numbers, etc.
2. The **Part Number** and **description** (prefix letters to Part Numbers must always be quoted).
3. The **quantity** required, bearing in mind that the quantities shown are those used in the application actually illustrated on the Parts List in question. Sometimes only minimum packaged quantities are available. These packs may well contain more parts than are required for a single job; for details of packaged quantities, see the confidential Service Parts Price List.
4. Always state the **colour** of carpets, painted items, trim items, etc.
