

DRIVEN AT HEART

CLASSIC RANGE

# T H E M O R G A N C L A S S I C

A range of contemporary sports cars true to our one hundred year Morgan philosophy;

Pure, elegant, light and fast.

Using the best quality materials, aluminium, ash and leather, every Morgan is created with passion, care and dedication by our craftsmen and women.

Incorporating the most modern drivetrain technology, a Morgan not only performs but also delivers low running costs and low carbon emissions too.

THE BEST OF ALL WORLDS.

## S P O R T   S E R I E S

What you see is what you get! Choosing your Morgan can be a daunting task, so we've make it easy for you. The Sport Series, either the fun and frugal 4/4, or the rapid 220 Bhp V6 Roadster comes with a simple yet comprehensive and well thought out specification.

8 choices of colour perfectly complement the classic shape and the standard tan leather upholstery. The Sport Series – everything you need.

# 4 / 4 S P O R T

Elegant in its simplicity, sophisticated in its delivery, the 4/4 Sport personifies traditional open air motoring. World leading CO2 emissions don't compromise performance thanks to its light weight. Simply choose your colour and away you go.

## R O A D S T E R   S P O R T

A new introduction for 2010, the Roadster Sport adds performance and luxury to the basic formula.

With a minimal range of options to add to the comprehensive specification, which already includes a mohair hood and tonneau, black coloured stainless steel wire wheels and tan leather upholstery, the Roadster Sport offers style – pure and simple.

220 Bhp, a wider frame front for more secure handling yet still with 225 g/km Co2 emissions, the new Euro 5 Roadster Sport delivers performance with responsibility.

C L A S S I C S E R I E S

For some, there is only one Morgan that will do – a bespoke specification chosen right down to the piping on the carpet. The Roadster V6 and Plus 4 2.0 litre can be tailored with a massive range of options, including 40,000 colours and over 100 leather choices.

## M O R G A N      P L U S      4

Available in both 2 and 4 seater forms, the lively 145 Bhp Plus 4 can be built to an almost infinite number of combinations. Now, with the wider front track to improve stability, subtly improved dashboard area and cockpit, plus new rear light treatment on the two seater, the Plus 4 remains the mainstay of Morgan production.

# R O A D S T E R

Increasing power by over 10%, yet with no more emissions, the Euro 5 compliant 220 Bhp V6 adds extra performance and flexibility to the Roadster range with no trade off.

Available as both a 2 and 4 seater, the wider front track gives more positive handling, and a range of minor updates keeps the traditional Morgan current in all departments.

As the oldest privately owned car business in the world, we retain the values which have always been at the heart of the company. Private ownership and a small management team allow us to innovate in ways no other car company can match.

Our Morgan cars are crafted from renewable or sustainable raw materials and are powered by modern, economical engines. Unique lightweight body construction means all our cars can deliver low CO2 emissions.

100 years of bespoke manufacture using traditional coach building techniques with modern engineering has resulted in a sports car beyond comparison. Most of our craftsmen started as apprentices, our 155 staff have over 2000 years of combined experience between them.

We use the latest design, engineering and production methods in our vehicle development to deliver the unique Morgan driving experience. Our emphasis is on only using technology where it counts, resulting in lightweight high performance cars.

*Charles Morgan*
