

THE 2011 SRX CROSSOVER

**Adaptive Forward Lighting**, an available feature, uses sensors to read speed and steering angle, and swivels high-intensity headlamps up to 15° to follow direction of travel.

**Front-wheel drive and optional advanced all-wheel drive** with electronic limited slip differential are available configurations.

**Chrome Accents**. Just one of the many stylish touches that give the SRX Crossover a polished look. Nicely complemented by faceted turn indicator lights.

**Power liftgate with memory height**, an available feature, allows you to open the rear liftgate to any pre-programmed height, and close it, at the touch of a button.

**Vertical LED taillamps** are energy-efficient, lasting up to ten times longer than traditional bulbs while providing enhanced illumination. Beyond function, they're also a signature Cadillac styling cue.

## THE SRX CROSSOVER

The SRX is the Cadillac of crossovers. A fusing of dramatic presence, advanced technology and flexible storage space, all crafted to the highest level of detail. Powered by an advanced direct-injected or available turbocharged engine, suspension options that deliver nimble road performance, and offering a handcrafted interior that pampers both driver and passengers, here is a new standard for luxury crossovers.

**Stance of the SRX** is wide, with minimal overhang and wheels pushed out to corners. The car seats five, offers generous passenger and cargo room, and can tow up to 3,500 lbs.<sup>1,2</sup>

**Engine** options include a 3.0L direct injection V6, or an available 2.8L turbocharged V6 with ECO mode to alter transmission shift points and maximize fuel efficiency.<sup>3</sup>

**Direct injection technology**, combined with Variable Valve Timing, delivers the perfect balance of impressive power and fuel efficiency.<sup>4</sup>

**6-speed automatic transmission** incorporates Driver Shift Control, which allows smooth manual gear changes without the use of a clutch pedal.

**Fully independent suspension** is tuned to deliver smooth performance. An available sport suspension reads the road and adjusts damping forces every two milliseconds.

## PERFORMANCE

**ZF Servotronic® 2° steering system**, an available feature, provides quick-reacting hydraulic assistance for good on-center feel and responsive feedback.

When it comes to the SRX, performance means many things. Solid body structure and crouching stance. Responsive suspension tuning with available continuous damping<sup>5</sup> that adjusts shock stiffness to road surface conditions. StabiliTrak electronic stability control that automatically engages braking and modulates engine power to help the driver stay on course. And an available advanced all-wheel drive system that employs an electronic limited slip differential (eLSD) which provides enhanced control while cornering.

<sup>1</sup> When equipped with available trailer towing package.

<sup>2</sup> Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details.

<sup>3</sup> V6 Turbo AWD: EPA estimated mpg 15 city/22 highway.

<sup>4</sup> V6 VVT FWD: EPA estimated mpg 18 city/25 highway. V6 VVT AWD: EPA estimated mpg 17 city/23 highway.

<sup>5</sup> Available on Performance and Premium AWD models.

<sup>6</sup> Servotronic is a registered trademark of ZF Lenksysteme GmbH.

**An 8-speaker Bose® sound system** with USB interface, CD player and MP3 playback is standard. Also available is the 10-speaker Bose® 5.1 surround sound system.

**Rear-seat DVD Entertainment System**, an available feature, with dual seat-mounted flip-up 8" diagonal screens, wireless headphones and remote, provides diversion for passengers in back.

**Cargo** stows in bins, glove box and under floor. Rear seats fold flat to create 60 cu ft of space in back. Available U-rail with adjustable fence helps manage cargo.

## THE SRX INTERIOR

**Sapele wood trim** and supple leather seating surfaces, both available features, add elegance and blend with leather-wrapped steering wheel and shift knob, and polished chrome accents.

**Rearview camera**, an available feature, is viewable via an LCD screen in the rearview mirror or on the navigation screen, when equipped.

**Bluetooth**,<sup>3</sup> an available feature, is activated by a steering wheel button and voice recognition, allowing hands-free mobile phone use.

**UltraView sunroof**, an available feature, spans front and rear seats and features a sliding glass panel and power sunshade.

Inside the SRX, advanced technology and craftsmanship come together like never before. This is a carefully hand-crafted cabin, accented by exquisite French stitching, available Sapele wood trim, fingertip steering wheel-mounted controls and available interior ambient lighting. And incorporating amenities like a Bose® premium sound system, iPod<sup>1</sup> connectivity, and an available hard drive with 10GB for music storage, glide-up touch screen navigation,<sup>2</sup> and Bluetooth® phone connectivity,<sup>3</sup> makes the most of your driving experience.

<sup>1</sup> iPod is a registered trademark of Apple, Inc. All rights reserved.  
<sup>2</sup> Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico and Canada.  
<sup>3</sup> Go to [gm.com/bluetooth](http://gm.com/bluetooth) to find out which Bluetooth phones are compatible with this vehicle.

**The Driver Information Center** displays running data – speed, direction, distance, fuel use, oil level, tire pressure and more – in high-resolution color.

**Memory settings** option recalls settings for two drivers, including driver's seat position, adjustable pedals, outside mirrors and other personal preferences.

**Glide-up navigation and entertainment system**, an available feature, combines 3D color imaging, voice guidance, and 10GB hard drive for music storage.

## TECHNOLOGY

**Integrated iPod connectivity.** Control your iPod<sup>1</sup> or MP3 device with steering wheel-mounted controls. And know what's playing with music info on the radio or navigation display, if equipped.

**Keyless access**, an available feature, allows convenient passive vehicle entry. Once programmed, the remote unlocks all five doors when carried near the vehicle and locks them as you walk away.

The SRX has an abundance of technology, all aimed at improving driver experience. And as one moves up through the Luxury, Performance and Premium Collections – available equipment evolves. From a standard, full-color Driver Information Center offering multiple status and warning messages, to an available turbocharged engine that delivers thrilling throttle response, to entertainment and navigation upgrades that combine surround sound, iPod<sup>1</sup> connectivity, pause-and-play live radio, even a rearview backup camera – no technical stone is left unturned.

SAFETY INFORMATION

Passenger safety is a primary consideration throughout the engineering process. With preventative safety features like StabiliTrak electronic stability control, an anti-lock brake system (ABS), and one of the most advanced all-wheel drive systems available, the SRX was designed to help avoid collisions. But should an incident occur, the SRX looks out for you and yours.

**StabiliTrak** A computer-controlled, 4-channel Electronic Stability Control System, StabiliTrak compares driver steering input with vehicle response, applying brakes and modulating engine power as needed to help you stay on course.

**Anti-Lock Brakes** The anti-lock brake system in the SRX employs 4-wheel power-assisted vented disc brakes and is packed with advanced features such as Hill Start, Ready Brake Alert and Brake Assist.

**Robust Body** The first layer of defense is the strong Body Frame Integral (BFI) construction with strategically engineered crumple zones. Making extensive use of high-strength steel, the SRX is designed to help absorb and channel crash energy away from the passenger compartment in the event of an impact.

**Airbags**<sup>1</sup> The SRX features six standard airbags, including advanced, frontal dual-stage and seat-mounted side-impact airbags for the driver and front-seat passenger, as well as first- and second-row outboard head-curtain airbags.

**Advanced All-Wheel Drive (AWD)** Capable of shifting up to 100% of the torque from front to rear wheels based on road conditions. The AWD system is augmented by an electronic limited slip differential (eLSD) capable of shifting up to 85% of the torque from one rear wheel to the other as conditions demand.

**OnStar<sup>2</sup> Automatic Crash Response** In a crash, built-in sensors in your vehicle can automatically send an alert to OnStar. An OnStar Advisor is immediately connected to your vehicle to see if you're okay. Even if you don't respond, the Advisor can use GPS technology to locate you and request that emergency help be sent right away.

LUXURY COVERAGE AND OWNER PRIVILEGES

Cadillac offers the Best Luxury Coverage in the Industry with the Cadillac 5-Year/100,000-Mile Transferable Powertrain Limited Warranty with no deductible plus Roadside Assistance and Courtesy Transportation. Whichever comes first – see your dealer for details.

**Owner Privileges** By driving an SRX Crossover, you're part of a select group that enjoys special privileges, like the new Cadillac Owner Center, a one-stop resource to enhance your Cadillac ownership experience. Powered by Yahoo!, the Owner Center includes online service reminders, special offers, an online Owner's Manual and more. Members can also store their service records in one place online and have the opportunity to connect with other Cadillac owners. Enroll for these benefits at [cadillac.com/owners](http://cadillac.com/owners). Owner Privileges also include 24-hour Roadside Assistance (1-800-882-1112). Free roadside services include jump starts, towing, lockouts, emergency fuel delivery and flat tire change or Tire Inflator Kit Service (as equipped).

And if your trip is interrupted due to vehicle failure, reasonable expenses may be reimbursed during the 5-Year/100,000-Mile Roadside Coverage period with Trip Interruption Protection. Your vehicle is also covered by the GM Bumper-to-Bumper limited warranty.

**Courtesy Transportation** Available whenever your vehicle is in for warranted repairs. Cadillac Roadside Assistance and Courtesy Transportation Programs are in effect for the first 60 months or 100,000 miles of ownership, whichever comes first. See your dealer for complete details, terms and conditions of these programs, and the GM limited warranty.

<sup>1</sup> Always use safety belts and the correct child restraint for your child's age and size, even in vehicles with airbags. Children are safer when properly secured in the rear seat, in an appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the vehicle Owner's Manual and child safety seat instructions for more safety information.  
<sup>2</sup> Visit [onstar.com](http://onstar.com) for coverage map, details and system limitations.

EXTERIOR

BLACK RAVEN	IMPERIAL BLUE Metallic	MOCHA STEEL Metallic	TITANIUM with Ebony Accents
CRYSTAL RED <sup>1</sup> Tintcoat	PLATINUM ICE <sup>1</sup> Tri-coat		EBONY with Titanium Accents
BLACK ICE <sup>1</sup> Metallic	RADIANT SILVER Metallic		SHALE <sup>4</sup> with Brownstone Accents
GOLD MIST <sup>2</sup> Metallic	GRAY FLANNEL <sup>3</sup> Metallic		SHALE <sup>4</sup> with Ebony Accents

**Tri-coat** is a meticulous 3-layer process that results in a dramatic hue-shifting color reminiscent of a show-car finish.  
**Tintcoat** is a premium 2-layer paint application with the addition of a tinted clearcoat, lending the finish an extra depth and brightness.  
<sup>1</sup> Available at extra charge.  
<sup>2</sup> Not available with Titanium and Ebony interiors.  
<sup>3</sup> Not available with Shale interior with Brownstone Accents.  
<sup>4</sup> Only available with Collections.

# SRX CROSSOVER FEATURES AND OPTIONS

## LUXURY COLLECTION

Includes all standard features plus:

**Adaptive Remote Start** Includes two remote transmitters, remote start, climate control system and heated seat activation

**Bluetooth® for Phone Interface<sup>1</sup>** Hands-free calling for cell phones

**Cargo Management System** Includes U-rail, cargo shade and adjustable cargo fence

**Chrome Roof Rails**

**Front and Rear Ultrasonic Park Assist** Front and rear audible warnings, front warning in Driver Information Center

**Keyless Access** Passive entry on both front and rear doors and liftgate

**Lighting, Interior Ambient** Footwell lighting, sill plates and LED spotlights with lighting pipes

**Memory Package** Recalls settings for two drivers with key-fob activation; driver's seat position, adjustable pedals, outside mirrors, and additional personal settings

**Mirrors** Driver and front passenger, heated, power-folding, power-adjustable and driver side auto-dimming

**Pedals** Power-adjustable brake and accelerator

**Power Liftgate with Memory Height**

**Rearview Mirror** Inside automatic-dimming rearview mirror with LCD screen that displays image from rearview camera

**Seating** Leather seating surfaces, manual driver side adjustable thigh support, 8-way power-adjustable front passenger side, driver and front passenger power lumbar control, driver and front passenger heated

**Sensor** Automatic air circulation/air quality and humidity sensor

**UltraView Sunroof** Power, tilt-sliding, electric with express-open over front-row seating, and power sunshade with 100% light blockage

**Universal Home Remote** 3-channel programmable

**Wheels** 18" 7-spoke bright machined finish aluminum

**Wipers** Automatic Rainsense wipers with moisture detection

**Wood Trim** Sapele wood trim on steering wheel, shift knob, center stack, and door trim

### Enhance your Luxury Collection with these options:

**Advanced All-Wheel Drive** Capable of shifting up to 100% of the torque from front to rear wheels based on road conditions. Electronic limited slip differential (eLSD) shifts up to 85% of the torque from one rear wheel to the other as conditions demand

## PERFORMANCE COLLECTION

Includes all Luxury Collection features plus:

**Audio System II** Features a 2GB virtual CD player; 10-speaker Bose® 5.1 surround sound system (Requires Entertainment System)

**Audio System II** Features a hard drive with 10GB of music storage; 10-speaker Bose® 5.1 surround sound system, 8" diagonal glide-up touch screen

**Foglamps** Front, integral in front fascia

**Headlamps** Xenon High-Intensity Discharge (HID) with headlamp washers, Adaptive Forward Lighting with three modes

**Navigation<sup>2</sup>** With voice and text guidance. Includes rearview camera with automatic operation that provides a panoramic rear view with "guidelines" indicating the vehicle's projected path when vehicle is put in reverse

**Steering** Speed-sensitive, variable-effort, ZF Servotronic® 2<sup>4</sup> power rack-and-pinion

**Wheels<sup>5</sup>** 20" 7-spoke premium painted cast aluminum

### Enhance your Performance Collection with these options:

**Advanced All-Wheel Drive** Capable of shifting up to 100% of the torque from front to rear wheels based on road conditions. Electronic limited slip differential (eLSD) shifts up to 85% of the torque from one rear wheel to the other as conditions demand

**Cargo/Pet Guard**

**Engine** 2.8L Turbo V6 engine with 300hp @ 5500rpm and 295 lb-ft of torque @ 1850rpm (Requires all-wheel drive)

**Engine Block Heater**

**Entertainment System** In-dash DVD with rear-facing seat-mounted flip-up 8" diagonal screens, two 2-channel wireless headphones and remote, auxiliary audio/video jacks, game plug-in options, and DivX® playback capability

**Suspension** Sport, with computer-controlled real-time damping (Requires all-wheel drive)

**Trailer Towing Package<sup>3</sup>** 3,500-lb capacity

**Wheels<sup>5</sup>** 20" 7-spoke chrome tech aluminum

## PREMIUM COLLECTION

Includes all Performance Collection features plus:

**Audio Controls** Independent rear-seat audio controls with two headphone jacks (headphones not included)

**Climate Control** Tri-zone automatic with individual climate settings for driver, front passenger and rear seating areas

**Heated Outboard Rear Seating**

**Ventilated Driver and Front Passenger Seats**

### Enhance your Premium Collection with these options:

**Advanced All-Wheel Drive** Capable of shifting up to 100% of the torque from front to rear wheels based on road conditions. Electronic limited slip differential (eLSD) shifts up to 85% of the torque from one rear wheel to the other as conditions demand

**Cargo/Pet Guard**

**Engine** 2.8L Turbo V6 engine with 300hp @ 5500rpm and 295 lb-ft of torque @ 1850rpm (Requires all-wheel drive)

**Engine Block Heater**

**Entertainment System** In-dash DVD with rear-facing seat-mounted flip-up 8" diagonal screens, two 2-channel wireless headphones and remote, auxiliary audio/video jacks, game plug-in options, and DivX® playback capability

**Suspension** Sport, with computer-controlled real-time damping (Requires all-wheel drive)

**Trailer Towing Package<sup>3</sup>** 3,500-lb capacity

**Wheels<sup>5</sup>** 20" 7-spoke chrome tech aluminum

## Drivetrain

**Front-Wheel Drive; All-Wheel Drive (optional on all Collections)** 3.0L V6 VVT engine with 265hp @ 6950rpm and 223 lb-ft of torque @ 5100rpm, all-speed traction control with brake and engine intervention; Hydra-Matic 6T70 (Aisin Warner AF40 with optional turbo) 6-speed automatic transmission with performance shifting and Driver Shift Control (clutchless manual operation)

**Engine (optional with Performance and Premium Collections)** 2.8L Turbo V6 engine with 300hp @ 5500rpm and 295 lb-ft of torque @ 1850rpm (Requires all-wheel drive)

## Chassis and Suspension

**Brakes** 4-wheel power-assisted disc brakes with anti-lock system. Vented front and rear with aluminum calipers with 2-piston front calipers and single-piston rear calipers. The system also features Hill Start, Ready Brake Alert, and Brake Assist

**StabiliTrak Electronic Stability Control System** Computer-controlled, 4-channel

**Steering** Power rack-and-pinion

**Suspension** 4-wheel independent design that utilizes a short/long arm, coil-over strut with anti-sway bar in front, and an independent, modified multi-link with anti-sway bar in the rear; both benefit from coil-over monotube dampers

## Standard Exterior Features

**Lights** Twilight Sentinel automatic operation; projector beam tungsten-halogen headlamps with flash-to-pass, windshield wiper activation, illuminated entry, LED side marker front lamps and rear taillamps

**Mirrors** Driver and front passenger, heated, power-adjustable and manual folding

**Roof Rails** Black

**Tire Pressure Monitor**

**Wheels** 18" 7-spoke painted cast aluminum

## Standard Interior Features

**Airbags<sup>6</sup>** Driver and front passenger, dual-stage; driver and front passenger, seat-mounted side-impact for thorax and pelvic protection; first- and second-row outboard passenger head-curtain

**Audio System** AM/FM, single-slot CD player with 8-speaker Bose® sound system, MP3 playback, and Radio Data System (RDS)<sup>7</sup>

**Auxiliary jack/USB for MP3 playback devices** MP3 player connects in the center console for easy storage. Control and select your music using the steering wheel-mounted controls

**Cargo Area** Modular under-floor storage and cargo volume of 29.8 cu ft behind the second row

**Climate Control** Dual-zone automatic with individual climate settings for driver and front passenger; rear-window defroster

**Console** Front floor with floor shifter, integral fore/aft adjusting armrest, storage compartment, cupholders, Ultrasonic Front and Rear Park Assist switch (if equipped); overhead with sunroof switches (if equipped), Universal Home Remote (if equipped); with rear-seat audio and HVAC controls (if equipped)

**Cruise Control** Electronic, with set and resume speed

**Driver Information Center** Enhanced full-color

**Electric Parking Brake**

**Keyless Start** Includes two remote transmitters enabling push-button start

**OnStar® standard one-year Directions & Connections Plan** includes Turn-by-Turn Navigation

**Seating** 5-passenger; front bucket seats with 8-way driver power adjustment, leatherette

**Steering Wheel** Leather-wrapped, tilt-adjustable, telescopic with fingertip controls

**Theft-Deterrent System** PASS-Key III+ immobilizer; audible center theft-deterrent system

**Windows** Power with express-up and -down driver and front-passenger side windows; express-down rear windows; rear windows with child lockout system; privacy glass; and remote all-windows-down comfort feature

**XM Radio<sup>9</sup>** With three trial months

## Dimensions

Exterior	
Length	190.3"
Height	65.7
Width	75.2
Wheelbase	110.5
Maximum Trailer Weight Rating <sup>3</sup>	
3.0L	2,500 lb
2.8L	2,500 lb
3.0L with Trailer Towing Package	3,500 lb
2.8L with Trailer Towing Package	3,500 lb

Track Width		
Front	63.8	
Rear	63.4	
Interior		
	FRONT	REAR
Headroom	39.7"	38.4"
Legroom	41.2	36.3
Hip room	55.4	54.7
Shoulder room	58.3	56.3

## Weights and Capacities

Curb Weight	
V6 (FWD)	4,224 lb
V6 (AWD)	4,387 lb
V6 Turbo (AWD)	4,488 lb
Cargo Volume	
Behind First Row	61.1 cu ft
Behind Second Row	29.8 cu ft
Fuel Capacity	
	Approx. 21 gal.

<sup>1</sup> Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with this vehicle. <sup>2</sup> Map coverage available in the United States, U.S. Virgin Islands, Puerto Rico, and Canada. <sup>3</sup> Maximum trailer-weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Cadillac dealer for additional details. <sup>4</sup> Servotronic is a registered trademark of ZF Lenksysteme GmbH. <sup>5</sup> Use only GM-approved wheel/tire combinations. See dealer for details. <sup>6</sup> Always use safety belts and the correct child restraint for your child's age and size, even in vehicles with an airbag. Even in vehicles equipped with Passenger Sensing System, children are safer when properly

## Wheels and Tires

Standard	
	<b>18" 7-spoke painted cast aluminum wheel</b> fitted with H-rated all-season radial tires: P235/65R18

Performance and Premium Collections <sup>5</sup>	
	<b>20" 7-spoke premium painted cast aluminum wheel</b> fitted with H-rated all-season radial tires: P235/55R20

	<b>20" 7-spoke chrome tech aluminum wheel</b> fitted with H-rated all-season radial tires (optional): P235/55R20
--	--

secured in the rear seat, in an appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See the vehicle Owner's Manual and child safety seat instructions for more safety information. <sup>7</sup> RDS only functions where stations broadcast RDS information. <sup>8</sup> Visit onstar.com for coverage map, details and system limitations. <sup>9</sup> Requires a subscription sold separately by XM after trial period. Available only in the 48 contiguous United States and District of Columbia. Visit gm.xmradio.com for details.

#### About this catalog

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing (08/10), please check with your Cadillac dealer for complete details. Any variations in colors shown are due to reproduction variation in the printing process.

Cadillac reserves the right to lengthen or shorten the model year for any product for any reason, or start and end model years at different times.

Note: Some photographs in this catalog show vehicles with optional equipment.

#### OnStar

OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Call 1-888-4ONSTAR (466-7827) or visit onstar.com for OnStar's Terms and Conditions, Privacy Policy and details and system limitations.

#### Engines

Cadillac products are equipped with engines produced by GM Powertrain or suppliers to GM worldwide. The engines in Cadillac products may also be used in other GM makes or models.

#### Tire Sealant and Compressor Kit

Unless you option into a spare tire, there is no jack or spare tire in this vehicle. If you do not option into the spare tire, your vehicle has a tire sealant and compressor kit that uses a liquid tire sealant to temporarily seal up to a ¼-inch puncture in the tread area of the tire. After using the inflator kit, it is recommended to take the tire to an authorized dealer for inspection and repair as soon as possible but at least within 100 miles of driving. The tire sealant cannot seal and inflate sidewall damage, punctures larger than ¼ inch, or a tire that has unseated from the wheel. The sealant can only be used on one tire one time before its expiration date.

#### Assembly

Cadillac vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Cadillac vehicles with different or differently sourced components than originally scheduled. Since some options may be unavail-

able when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

#### Updated Service Information

Cadillac dealers receive useful service bulletins about Cadillac products. You may purchase them from Helm Incorporated by calling 1-800-551-4123 or by visiting [www.helminc.com](http://www.helminc.com).

#### New Vehicle Limited Warranty

The Best Luxury Coverage in the Industry, standard on every 2011 Cadillac. This warranty is for Cadillac vehicles registered in the U.S.A. See your Cadillac dealer for terms and conditions.

#### Covered for 5 Years/100,000 Miles (Whichever Comes First):

Powertrain Limited Warranty with no deductible  
Roadside Assistance Program<sup>1</sup>  
Courtesy Transportation Program<sup>1</sup>

#### Covered for 4 Years/50,000 Miles (Whichever Comes First):

Bumper-to-Bumper coverage  
Tires – Defects in material and workmanship  
Repairs made to correct any vehicle defect  
Corrosion on body sheet metal panels

#### Rust Through Protection

Cadillac vehicles are designed and built to resist corrosion and rust-through corrosion. Any body sheet metal that rusts through (in the form of an actual hole in the sheet metal) is covered for six years unlimited mileage. Cosmetic or surface corrosion, resulting from stone chips or scratches in the paint, for example, is not included in the Rust Through coverage. Application of additional rust-inhibiting materials is not required under the Rust Through coverage and none is recommended. See your Cadillac dealer for terms of this limited warranty.

#### Fleet Orders

Some standard content may be deleted with fleet orders. See dealer for details.

<sup>1</sup> Roadside Assistance Program and Courtesy Transportation Program are not a part of the New Vehicle Limited Warranty. A separate booklet entitled "Warranty and Owner Assistance Information" furnished with each new vehicle provides detailed warranty coverage information.
