## 2010 CALLAWAY CORVETTE SC580

Callaway Cars is proud to introduce the new Callaway Corvette SC580: a class-rivalling supercar at a fraction of the cost of its European counterparts. Adhering to a design philosophy forged over thirty years of constructing ***"Powerfully Engineered, Seriously Fast"*** automobiles, the Callaway SC580 provides intimidating power while displaying refined manners: Low 11-second ET capability with no fuel mileage penalty, perfect drivability, a 3 year/36,000 mile powertrain warranty and an array of optional performance and aesthetic enhancements.

### 2010 CALLAWAY CORVETTE SC580 STANDARD EQUIPMENT:

- Roots-style Eaton CS2000 Supercharger, with polished finish
- Liquid-to-air intercooler, integral to intake manifold base (patent pending)
- Increased flow rate Fuel Injectors
- Body-color Injector Covers
- Electronic Fuel Pump Controller
- Callaway Double-D Stainless Steel Exhaust System
- Callaway Honker High Flow Intake System
