### Reeves Callaway Signature Edition 2009 Callaway Corvette

The 2009 RCSE (Reeves Callaway Signature Edition) Callaway Corvette is a special, limited-edition model commemorating the achievements of twenty-two years of "Powerfully Engineered" Callaway Corvettes.

Only 29 of these very-exclusive, enhanced-output versions of the Callaway Corvette will be built. Callaway will be accepting orders for RCSE packages for a limited time. Check with your Callaway Authorized Dealer for availability.

RCSE Callaway Corvettes may be ordered as either coupe or convertible, with either manual or automatic transmission. Exterior color must be Cyber Gray Metallic, Blade Silver Metallic, or Crystal Red Metallic. Interior must be 2LT, 3LT or 4LT trim level, in Ebony. Chevrolet optional equipment must include RPO Z51 Performance Package.

The RCSE Callaway Corvette option includes all Callaway Corvette SC580 standard equipment, plus the following additions or substitutions:

- Callaway SC606 Supercharged LS3 – 606 horsepower, 552 lb-ft torque (SAE)
- Callaway Carbon Fiber Injector Covers
- Callaway Carbon Fiber Hood Bulge
- Callaway Exhaust Tip Slat Trim
- Callaway 9 Spoke Aluminum Wheels – HyperBlack
- RCSE Interior Group
- Dash and Underhood Plaques, with RCSE sequence number:  
#xx of 29, signed by Reeves Callaway
