THE BRISBANE MARINA BRITISH CAR MEET \* 2008

The Weekend Of Saturday & Sunday \* Sept. 6th & 7th

Join your British car friends for a smashing day at the Brisbane Marina at Sierra Point. Over 300 quirky, classic, and lovable British cars will once again gather in the Bay Area for our 31st Annual British Car Meet. Don't have a show car? Don't worry! Daily drivers, vintage racers, street rods and works-in-progress are as welcome as Concours quality show cars. This is essentially the old Palo Alto British Meet in a new location. We are also expecting another great display of automotive oddities provided by the Arcane Auto Society. Spectators attend and park for free.

SUNDAY SHOW - BRISBANE MARINA - SEPTEMBER 7th

Cars will be placed at 9:00AM and the fun goes on all day. The food will be handled by the Brisbane Lions Club and the Sierra Point Yacht Club will open their doors on Sunday for a reasonable, sit-down breakfast. Herb Gibson's Jazz Orchestra will be back again, set up just outside the Yacht Club. There is no preregistration. There will be marque awards in over 15 classes and all entrants will receive a commemorative gift. The registration fee is \$25 per car at the gate.

SATURDAY TOUR - SEPTEMBER 6th

The British Car Meet TOUR TO THE SEA starts at the Brisbane Marina boathouse (the same place as the Sunday Car Show) and winds through the hills to the sea. It's no-cost option for people who like to drive their cars as well as show them. We will be sending cars off between 9:00AM and 10:30AM. A detailed map will be provided. The tour ends at Cameron's Pub in Half Moon Bay where we will be kicking tyres and telling tall tales in the car park well into the afternoon.
